

# King Fahad University

King Fahad University for Petroleum and Minerals (KFUPM) is a public university in Dhahran, Saudi Arabia. The contractor agreed to utilize Shurjoint products in the Student Housing Project Phase I of KFUPM for fire protection and air conditioning systems as the size range is quite comprehensive. Grooved Couplings & Fittings in sizes up to 24" were used. In addition, the Quality and Ease Maintenance of Piping System is another factor why Shurjoint products were approved for this project.
