

Ski Dome – (Glycol pipeline)

Dubai Ski Dome is located in Dubai, U.A.E., and it is the first indoor ski resort in the Middle East, offering an amazing snow setting to enjoy skiing, snowboarding or just playing in the snow.

Shurjoint Model SS-8 2.5" austenitic grade CF8M (316) stainless steel couplings were selected and specified in the glycol pipeline because of their cost, quality, durability and ease of maintenance. In addition, Shurjoint #SS-8 Couplings are UL listed and FM approved.
